Examiner Graysay

Examiner Scott Jarrett recommended that I review the claims for all my applications since the original claims would not meet the requirements for claims independent of prior art. Examiner Jarrett has not viewed these claims since his recommendation was based on claims I submitted for another application.

Please consider new claims to replace the claims in the previous office action response of November 30, 2005. The information in the earlier response is still applicable.

Claims 1-40 are cancelled. New Claims are grouped 41-47, 48-54, 55-60 where claims 41, 48, and 55 are independent claims.

Respectfully Submitted

Norman Ken Ouchi
